SOLDAN HIGH SCHOOL

SAINT LOUIS, MISSOURI

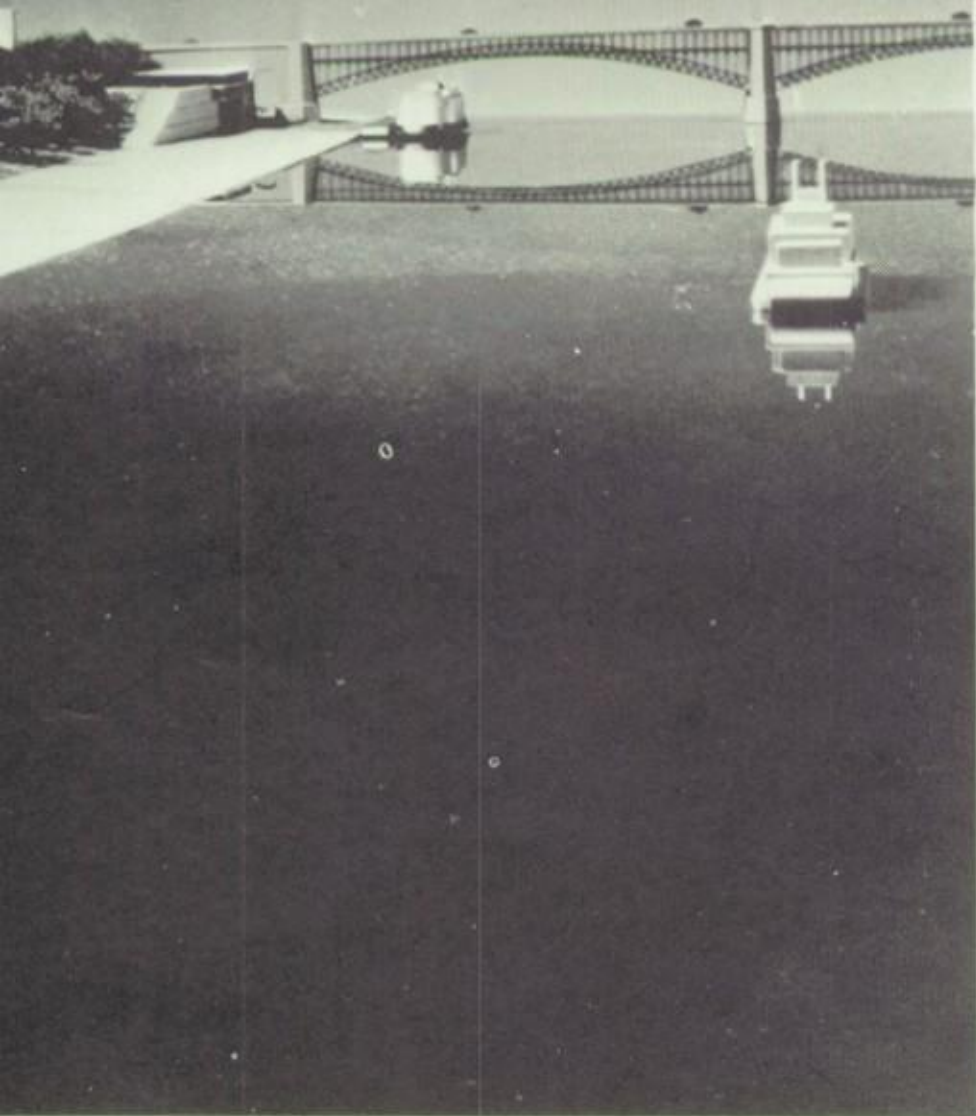

ST. LOUIS AND SOLDAN, PARTNERS

As St. Louis is the gateway to the West for many travelers, Soldan is the gateway to the future for many high school students who are embarking upon a new way of life. As St. Louis is approaching its 200th anniversary, Soldan is approaching its 55th

anniversary. Even though both St. Louis and Soldan have proud histories, we are not content to rest upon our past achievements. We hope that Soldan's educated young men and women will become fine citizens who will contribute much to the service of

IN PROGRESS

mankind. We are intent upon forging ahead to a better and ever greater future in this glorious city of ours. Then it can truly be said: ST. LOUIS AND SOLDAN, PARTNERS IN PROGRESS.

*"A teacher affects eternity; he can never
tell where his influence stops."*

Henry Brooks Adams

ADMINISTRATION

*Mr. Arthur J.
Svoboda
Principal*

It has been said that he is no fool who gives what he cannot keep to gain what he cannot lose.

Our seniors have given their time for four years, that which they couldn't keep, to gain knowledge and an education which they cannot lose. A man, however, is not rich in what he possesses, but he is rich if he wisely uses his possessions. Therefore, it is the wish and the hope of the Soldan High School faculty that our graduates will so use their knowledge gained here as to bring success and happiness to themselves and a measure of glory to their Alma Mater.

IS EVERY

The eight or ten girls who form the cheerleading squad have a great responsibility. It is the duty of these spirited young ladies to promote school spirit to a maximum regardless whether the team wins or loses.

However, becoming a member of this squad is not as easy as it may seem. For not only is performance taken into consideration, but

Have you noticed these letter sweaters? Only the Lettermen's Club has the right to this proud distinction. To achieve membership, a boy must receive at least one Varsity letter in a major sport. This feeling of school pride should make members more efficient hall monitors, one of their new duties in improving our school.

This year one of the main fun projects of the lettermen was the spring hayride. The club is sponsored by Mr. Wilbert Sanders.

ALL HAIL THE QUEEN!

Half the enjoyment of any competitive event is suspense; and the summoning of our 1963 Football Queen proved no exception.

Having been chosen by the football team and endorsed by the administration to "run" for Football Queen, the four lucky ladies stood in the hall corridor anxious to learn which of them had been elected "Her Royal Majesty" by the student body.

After the entrance of our retiring queen, Miss Lucille Hall, the name of the third maid of honor was announced. Miss Gloria Jean Kelley walked proudly down the aisle. The audience's comments subsided as the narrator prepared to announce the second maid of honor, Miss Marcia Hughes. Then everyone held his breath, for the next words would reveal what everyone had been waiting to hear. The special maid of honor was — Miss — Jessica — Kendall. Suddenly the auditorium rang with sounds of approval, for now all doubt had been removed. Yes, Miss Dorothy Tillis, a Senior, graciously took the throne as our Football Queen for 1963.

Anxious crowd waits.

DEFENDERS

Although we did not win the championship, through the coaching of Mr. Sanders and Mr. Anton we had an impressive overall record of 5 wins, 3 losses, and a tie. Despite the fact that the first two practice games were lost to Ritenour and DeAndreis, the Tigers won a 14—0 victory against our first league competition, Beaumont.

According to predictions and statistics, Soldan was out of the running before the season opened. However, the Tigers surprised everyone with a 12—6 victory over Cleveland. This proved to be only a promise of bigger things as we all celebrated after the 26—6 upset against Sumner. There was a three-way tie for the Public High School Championship until we played McKinley, which we tied 13—13. We are all proud of the fine efforts of our football Tigers, and we are looking forward to another year of exciting football.

YOU MAKE THE BASKETS;

With only four returning lettermen — Carter, Johnson, Atkinson, and Hawkins, the Varsity Basketball Team had a rather disappointing season. The team posted a league record of 3—7; however, in the regionals Soldan took a fourth place.

The season was highlighted when the Tigers upset Ferguson by a surprising score of 58—51. This was a very important game to Mr. Dippold as his older brother was the coach of the Ferguson team. The top scorers of this game were: Carter with 20 points, Johnson and Hawkins with 15 points each.

The Tigers also displayed great courage in battling Sumner to a 50—51 defeat. It wasn't until the closing moments of that game that Sumner moved ahead by one point. This was only one of the heart-breaking games that Soldan lost by one or two points this year. Other thrilling games were Beaumont 53—52; Hadley 58—56; O'Fallon 47—44; and Vashon 57—53. A margin of eleven points separated the Tigers from the first place team. Nevertheless, that's the way the old basketball bounces.

Let's give a good cheer.

TENNIS, ANYONE?

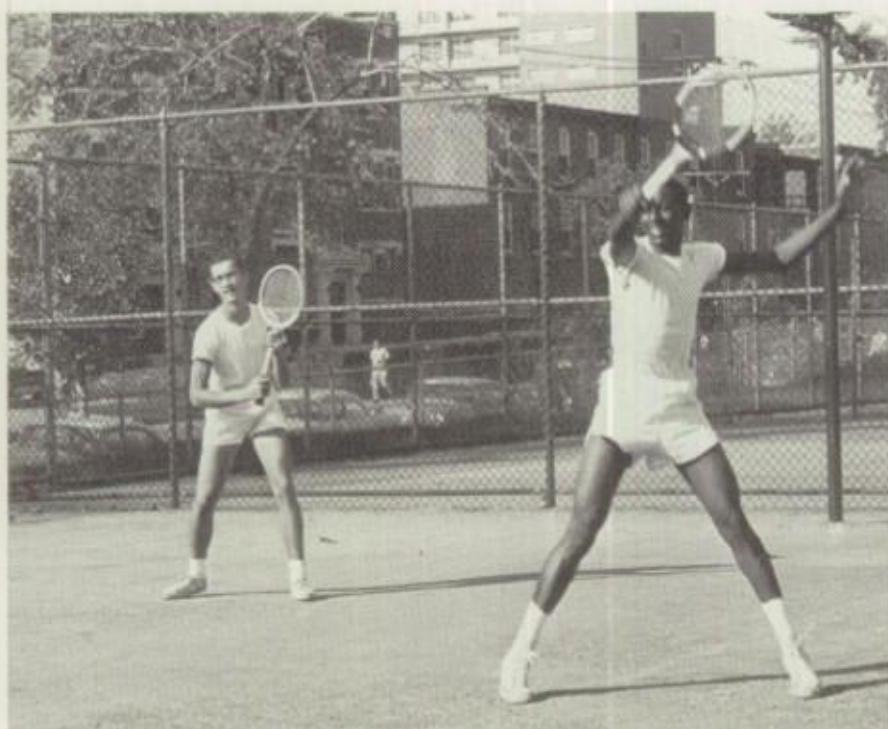

This year our Soldan racketeers began their season with no returning lettermen. Despite this, our boys played good matches and ended the season with a two and six record, with Johnson and Lemont winning all of their matches.

Coached by Mr. Russell Dippold, our tennis team, with four returning lettermen next year, should have a very good season.

The lineup for this year was as follows: first singles, Alphonso White and Robert Bradfield; second singles, Donald Fleary; third singles, Shirl Gilbert; first doubles, Barry Palmer and Chester Stovall; and second doubles, John "Goose" Johnson and Lemont Livingston.

These are our boys in action.

Coach Smith

They're off!

OFF AND RUNNING!

With the combination of returning lettermen and outstanding newcomers, our Soldan distance men had great potential this year. However, the team had a rather disappointing season, with five wins and five losses.

Nevertheless, in view of the fine performances by many individuals and the able coaching of Mr. T.

Smith, Soldan can look forward to a winning season next year.

Some of our Tigers' outstanding performers were Easton, Clark, Ward, Monroe, Williams, Bester, and Crothers. These boys, with hard-working newcomers, will provide a solid nucleus for our cross-country team next year.

"Sprint! Sprint!" These words echo through the pool during one of Soldan's practice sessions. The Soldan Tankmen showed initiative and drive this season but succeeded in winning only one meet. For the first time in two years the Soldan Swim Team won a major victory. As the Tankmen outswam Hadley Tech 45—43, it became a Soldan victim.

The tradition of a winning team is to throw the coach into the water. Coach Tyler has had two dry seasons. This is the first season he has had to hang up his clothes to dry.

Our Swimming Team is losing three members through graduation: Butterfly, David Ackerman; Backstroke, Donald Rice; and Individual Medley, Barry Hapner. Coach Tyler, once again, will patiently wait for a Soldan comeback in swimming.

The wrestling team, under the leadership of Mr. Anton and Mr. Lampros, brought another championship to Soldan. With a record of 10 wins and 3 losses, our wrestling Tigers captured the Public High League title. In the state qualifying meet, the Tigers had 69 points and two finalists, Jim Cannon and Joe Michell.

With a total of 103 points, the Tigers proudly brought the District Title to Soldan. This achievement was preceded by a second place finish in the Principia Invitational Tournament. We displayed a fine spirit of competition and sportsmanship in all our matches.

CINDER MEN RACE

1962 Track Queen

When the gun for the first track meet goes off, our track team has as good a chance as any other in the league to come out in first place. With the valuable coaching and supervision of Mr. W. Sanders and Mr. T. Smith, the Tigers will be in excellent condition to challenge our opponents.

Ending in second place at the indoor track meet last year, our Tigers will try to defend their second place berth, or better yet, try to capture first place this year. There is now much depth and experience in almost all of the events. Returning lettermen Walter Brooks, Conway Slaughter, and James Holland will help the Tigers in the broad jump, while Joe Cooper will try the high jump. The team will be depending on Wallace Scales and George Gholston to do the hurdling. Our distance men will include Lawrence Ward and Donald Eason, and the short distance runners will be Charles Bell, Robert Crothers, and John Clark. Good luck, Tigers!

IT MIGHT BE, IT

This year our baseball team is looking very impressive on the baseball diamond. Last year our Tigers finished in third place in the Public High School League. This year our team is looking forward to an even better record.

Expertly coached by Mr. A. Gordon, our Tigers learn the fundamentals of the game and also the principles of sportsmanship.

Some of the team's individual stars are Co-captains Joe Dubose and John "Goose" Johnson, William Green, Lawrence Robinson, Larry McKissic, Charles Harris and Robert Lock. Other new boys like Clark Frost, William Hong, James Haynes, and Deloch should be great assets to the team.

FUN AND FITNESS

The G.A.A. is an organization formed for those girls who are interested in athletics. Under the direction of Mrs. Quinn and Mrs. Deloch, they meet every Wednesday after school.

This organization has been very active this year. The activities of the fall term were headed by hockey and basketball. Each year, the G.A.A. participates in hockey and basketball tournaments, for which they meet extra days to practice. On the whole, the girls did fairly well in hockey. Of the three games played, one was won, one was lost, and one was tied.

ARE AIMS OF G.A.A.

During the spring term, the girls play volleyball, softball, and run track. Their first scheduled activity is volleyball. An extra day is needed to practice during this season, also. After the volleyball season is over, interest turns to track and field meets. Some of these events are relays, high jumps, and broad jumps.

Besides participating in sports, the G.A.A. sponsors cake and coke sales to assist them in buying letters. Each girl can earn letters by accumulating points. A small letter requires 750 points; a large letter requires 1500 points.

WE LEARN SELF-GOVERN-

After Installation

The basic function of the Student Council is that of making students aware of existing conditions in order to find solutions for problems for themselves. This unique organization also provides a method for improvement through its willingness to put new ideas and suggestions into practice.

On the average of twice a month, two representatives from each advisory meet in the auditorium to discuss and plan projects. The representatives are required to have at least a "C" average, good citizenship ratings, regular school attendance, leadership ability, and a sense of responsibility.

MENT THROUGH PRACTICE

In an organization dealing with so many broad and diversified concerns, proper sponsorship is most important and this position is filled by Mr. Washington.

In addition the Student Council seeks to make school life interesting and enriching by encouraging students to voice their suggestions and criticisms through their representatives, for as Goethe said, "The best of all governments is that which teaches us to govern ourselves."

SPOTLIGHT KEEPS

Victoria studies lines.

Spotlight is Soldan's newspaper. Under the supervision of Miss B. J. Roque, the students of the journalism class publish the news-filled paper. The members of the staff are taught the essentials of journalism — observation, accuracy, friendliness, and promptness. The students carry out their assignments in the same manner as a regular newspaper. The responsibility for organization rests on the shoulders of the editor-in-chief. Each page editor is mainly responsible for setting up his page. Other staff members have duties of reporting the news, sports, fashions, and other items of interest. Features and editorials are also included in the paper.

However, planning and publishing are only half the job. Keeping business records and collecting money for newspaper subscriptions are the duties of the business manager, Mr. Brantley.

PROJECTIONISTS

Preparing for a showing.

Composed of students who are capable of operating all types of school equipment, including movie, film strip, lantern slide, tape recorded, opaque projector, and the public address system in the auditorium, the Projectionist Club is invaluable. When a new student becomes a member of this organization, he is taught these various skills by an experienced projectionist. The prospective member must be a term two or above and maintain at least "C" average.

Mr. Carl Landis, who sponsored the projectionists for a number of years, has relinquished his post to Mr. Alcee Polk, a service technician sent by the Board of Education. Our sincere thanks to Mr. Carl Landis for a job well done.

The Projectionist Club is unusual in that it still is composed of its own advisory. This advisory meeting is necessary because it is there that assignments for the day are distributed. Students are given various tasks which they must accomplish during study periods. This work is closely related to outstanding activities at Soldan.

RED CROSS PREPARES FOR TOMORROW

Leadership and service to the community are the dual goals of the Junior Red Cross. During the summer some club members are sent to the Red Cross Leadership Camp. Others work as volunteers in hospitals. At Christmas, Red Cross members fill stockings for distribution to these hospitals. Money for this project is raised by selling candy during spare time.

The Junior Red Cross, under the leadership of Mrs. James, meets on odd Tuesday afternoons. New members are welcome.

HUMAN RELATIONS CLUB SERVES

The key word in defining the Human Relations Club is "understanding." Under the supervision of Miss Pauls and Mrs. James, members strive to establish working relations among different peoples. Discussions, movies and guest speakers aid in building this understanding.

Among the activities planned by the three steering committees of the Human Relations Club is the Intergroup Youth Conference. This conference, held at Soldan during Brotherhood Week, is the climax of the club's activities. Everyone is welcome.

ART PROVIDES SELF-EXPRESSION

The Art Club provides bustling young artists with an opportunity to express their creativeness. Meetings of the club are held in the art room where art equipment is at the disposal of the members. At the Wednes-

day afternoon meetings of the club, Mr. Ellery Johnson, the sponsor, guides the students in principles and techniques of art.

The Spanish Club meets one day every four weeks, usually on Thursday. Mr. Shelby is the sponsor. ¡Adios, Amigo!

CHESS CLUB

Chess is an ancient skill that is believed to have originated in India. Although it is a game requiring patience and concentration, chess is very interesting.

The Chess Club is sponsored by Mr. Novel and meets every Monday and Wednesday in the school library. Membership is open to any student of Soldan with a desire to learn and play this popular indoor game.

Consisting of a color guard and the regular drill team, the Berrettes meet every Monday, Wednesday, and Friday. Perfection is the goal of the Soldan team, clearly visible in every entertaining performance.

MODERN DANCING IS CREATIVE

Three things that every girl would like to possess are rhythm, poise, and coordination. With this goal in mind, the members of the Modern Dance Club meet every Monday and Friday. Under the able instruction of Miss Webb, these girls learn and practice basic dance movements. Within the course of a

semester, the members touch upon many types of dancing — a little folk dancing, and a lot of ballet and creative dancing. Besides the physical exercise the club provides, its members also develop their creative ability and increase their general knowledge of dancing.

PEP CLUB INSPIRES TIGERS

Whether it's basketball, football, or track, Soldan's stands are always filled with a loud cheering section headed by the members of the Pep Club, sponsored by Mrs. Quinn. Because the club's main purpose is to assist the cheerleaders, its meeting time on Thursday is spent learning and practicing cheers.

In addition to giving the teams cheering support the club also gives them financial aid. This is done by selling season passes and individual game tickets. The club's big money-raising project is a successful dance which gives Soldanites the opportunity to dance to the music of a live band.

Skating sessions take place at the Phyllis Wheatly Y.M.C.A. the second and fourth Monday of each month. The students skate to popular recorded music from 4:00 until 6:00 p.m. and enjoy every minute.

ONE MAN IN HIS TIME

The dramatics class of Soldan is made up of students who enjoy acting. The members of the class think drama is one of the satisfying forms of literature and enjoy learning the fundamentals of acting. Under the instruction of Miss Gertrude Lucas, Soldan's dramatics teacher, some of the aspects of the subject which are studied are voice and diction, body movement and the art of reading. During the Christmas season this class gave a delightful performance of "And So They Came."

PLAYS MANY PARTS

The Dramatic Guild, a club sponsored by Miss Lucas, meets every odd Wednesday in Room 214. Offering many opportunities for its members to express themselves, the Guild is composed of boys and girls who are interested in any phase of acting. In the club one learns the basic factors such as how to sit, how to walk properly, how to speak before a group, and how to face an audience.

Through auditions members for the Guild are selected. Only those persons who show some signs of talent are chosen at these try-outs.

THEY RAISE

The Choir, under the direction of Mr. Charles Gladney, is Soldan's outstanding music group. It has earned this recognition by constant and tedious rehearsals every morning, eight o'clock sharp, in room 300. Never-the-less, these rehearsals would be useless without students who have the ability and willingness to give up their time to participate in extra-curricular performances.

The Choir has many opportunities to display its talents at school and in the community. The experience and enjoyment gained from these appearances is truly worth the time and work spent in preparation.

THEIR VOICES IN SONG

The Senior Girls' Glee Club is rapidly becoming one of our best vocal music groups. The girls of this club have mastered many beautiful and complicated compositions. Their reward is derived from the satisfaction their music brings to themselves and to their audience.

One might think that Sr. Girls' Glee is comprised of senior girls only, but this isn't entirely true. Seniors, juniors, sophomores, and freshmen are all represented. Senior merely designates a definite level of musical advancement, as most members formerly have participated and developed some ability in other music groups.

SING ALONG WITH GLADNEY

At the musicale.

At Soldan one of our popular music groups is the Junior Girls' Glee. This group has been growing in both numerical and musical attributes. Recruited from all terms, talented young ladies practice each day to improve in tone, quality and harmony. In addition they learn the fundamentals and the history of music.

Excellent entertainment is especially planned for the spring term when the Junior Girls' Glee Club participates in the annual Spring Musical Festival. This is always a "high light" for all Soldan vocal music students.

This refrain often fills room 300 during the 4th period. The combination of talent and hard work from freshmen, sophomores, juniors and seniors makes Soldan's Boys' Glee one of the best and most popular music groups. Its polish creates a demand outside our walls.

Despite its loss of senior graduates, this group carries on. New voices are always welcome, but talent is required. Soldan's Boys' Glee is most enjoyable.

STRIKE UP THE BAND!

This is an often-heard expression in room B24. For here the band under the direction of Mr. Vernon Nashville practices every morning at 8 o'clock and at the regular fourth period. Ever since the founding of this organization, its purpose has been to produce fine music to accompany school spirit. The best tunes, from "The Militaire Overture" to "Haitian Holiday," have been played by the band. The band concert given on January 21 was well-supported by students and parents. With such cooperation, the band will continue to bring recognition to Soldan.

The Yearbook staff is composed of an editorial staff and a sales staff. Although sales are important, the planning and re-planning of pages with layouts of pictures and copy prove to be the more difficult.

However, the effort put forth in producing the SCRIP is not in vain, for the finished product gives an undefinable satisfaction. In fact, the Soldan SCRIP was awarded second place in an analytic study by Columbia Scholastic Press Association at Columbia University, New York.

BETTER BOOK!

On the light-hearted side, the staff presents a skit by which the members of the SCRIP class encourage students to purchase yearbooks. Both performers and audience enjoyed this year's skit, "The Kingdom of Soldania."

In spite of "those deadlines," we have had a pleasant time producing this book, and we hope you enjoy the annual history of our school year. We acknowledge with thanks the help of all who have made the publication of the 1963 SCRIP possible.
